RE: Collier v. Campasano
05 CV 4215 (ARR) (KAM)

Dear Magistrate Judge Matsumoto:

I represent the plaintiff in the above referenced matter. I see in my diary that the stipulation of discontinuance is to be filed by today. However, because the parties are globally settling the FDCPA matter and the underlying collection matter that was filed in state court, I think the parties need more time. My client has hired separate counsel to finalize the settlement terms in the underlying matter.

Thank you for the Court's consideration of the foregoing.

Yours faithfully,

Adam J. Fishbein

Cc: Richard Hamburger, Esq.

Stipulation of discontinuance
